## **Holy, Holy, Holy Lord**

*Voices Together 314*

Holy, holy, holy Lord,  
God of pow'r and might,  
Heaven and earth of your glory are full;  
Hosanna, hosanna, hosanna in the highest!

Blessed is he who comes in the name of the Lord,  
Blessed is he who comes in the name of the Lord!

## **Come, Now is the Time to Worship**

*Brian Doerksen - CCLI 2430948*

Come, now is the time to worship.  
Come, now is the time to give your heart.  
Come, just as you are, to worship.  
Come, just as you are, before your God. Come.

One day every tongue will confess You are God.  
One day every knee will bow.  
Still the greatest treasure remains for those  
Who gladly choose you now.

Come, now is the time to worship.  
Come, now is the time to give your heart.  
Come, just as you are to worship.  
Come, just as you are before your God. Come.

## **The River Is Here**

*Andy Park - CCLI # 1475231*

Down the mountain the river flows  
And it brings refreshing wherever it goes  
Through the valleys and over the fields  
The river is rushing and the river is here

The river of God sets our feet a-dancing  
The river of God fills our hearts with cheer  
The river of God fills our mouths with laughter  
And we rejoice, for the river is here.

The river of God is teeming with life  
And all who touch it can be revived  
And those who linger on this river's shore  
Will come back thirsting for more of the Lord

Up to the mountain, we love to go  
To find the presence of the Lord  
Along the banks of the river we run  
We dance with laughter, giving praise to the Son.

## **Shout To The Lord**

*Darlene Zschech - CCLI # 1406918*

My Jesus my Saviour  
Lord there is none like You  
All of my days I want to praise  
The wonders of Your mighty love  
My comfort, my shelter  
Tower of refuge and strength  
Let every breath all that I am  
Never cease to worship You

Shout to the Lord,  
All the earth let us sing  
Power and majesty  
Praise to the King  
Mountains bow down  
And the seas will roar  
At the sound of Your name  
I sing for joy  
At the work of Your hands  
Forever I'll love You  
Forever I'll stand  
Nothing compares to the promise  
I have in You.

## **Jesus Loves Me**

*Voices Together 516*

Jesus loves me this I know,  
For the bible tells me so  
Little ones to him belong  
They are weak but he is strong.

Yes, Jesus loves me.  
Yes, Jesus loves me.  
Yes, Jesus loves me.  
The bible tells me so.

## **O How I Love Jesus**

*Public Domain - CCLI # 4194134*

There is a name I love to hear  
I love to sing its worth  
It sounds like music in my ear  
The sweetest name on earth

O how I love Jesus,  
O how I love Jesus,  
O how I love Jesus,  
Because He first loved me.

It tells me of a Saviour's love  
Who died to set me free  
It tells me of His precious blood  
The sinner's perfect plea

It tells of One whose loving heart  
Can feel my deepest woe  
Who in each sorrow bears a part  
That none can bare below

It bids my trembling heart rejoice  
And dries each rising tear  
It tells me in a still small voice  
To trust and never fear

**I will sing to the Lord  
all my life;  
I will sing praise to  
my God as long as  
I live.**

*Psalm 104:33*

## **This Little Light of Mine**

*Voices Together 762*

This little light of mine  
I'm gonna let it shine  
This little light of mine  
I'm gonna let it shine  
This little light of mine  
I'm gonna let it shine  
Let it shine let it shine let it shine

Everywhere I go,  
I'm gonna let it shine  
Everywhere I go,  
I'm gonna let it shine  
Everywhere I go,  
I'm gonna let it shine  
Let it shine let it shine let it shine

This little light of mine  
I'm gonna let it shine  
This little light of mine  
I'm gonna let it shine  
This little light of mine  
I'm gonna let it shine  
Let it shine let it shine let it shine

## **You Are Salt for the Earth**

*Voices Together 297*

You are salt for the earth, O people, Salt for the kingdom of God!  
Share the flavor of life, O people; Life in the kingdom of God!

Bring forth the kingdom of mercy, bring forth the kingdom of peace.  
Bring forth the kingdom of justice, bring forth the city of God.

You are a light on the hill, O people, light for the city of God!  
Shine so holy and bright, O people: shine for the kingdom of God.

We are a bless'd and a pilgrim people, bound for the kingdom of God!  
Love our journey and love our homeland: love is the kingdom of God!

## **God Go With You**

*Phil Campbell-Enns*

Let the joy of God go with you  
Casting a light on your way  
Radiant beams from His warmth  
surround you each and ev'ry day.

Let the Spirit of God sustain you  
Sheltered beneath His own wings  
Living streams, holy dreams continue  
Manna that He brings

May God's face shine  
upon your path  
Be a light for each step  
May you know God's  
boundless love  
As you take each breath

Let our Lord of peace  
embrace you  
Keeping you close all the while  
Grace and mercy and love flow  
through you  
Now and for all time.

## Summer Reading

### Ishmael by Daniel Quinn

How can we save the world from ourselves? As a renewing summer activity, read Daniel Quinn's classic best-selling novel *Ishmael: An Adventure of the Mind and Spirit*, available at [Ishmael: A Novel: Quinn, Daniel: 8601401253082: Books - Amazon.ca](https://www.amazon.ca/dp/B001401253) Our first Formation session in September will be an open-ended discussion of this utterly unique and compelling masterpiece.

### Prayer: Our Deepest Longing by Ronald Rolheiser

With simple, down-to-earth language, Rolheiser illustrates the importance of prayer and offers techniques for how to pray, using examples from daily life, Scripture, and contemporary writers. He delves into the places that we fear to go with our issues about prayer, encouraging us with gentle kindness and words of hope and inspiration.

### Saving Us: A Climate Scientist's Case for Hope and Healing In A Divided World by Katharine Hayhoe

In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy.

### Indian Horse by Richard Wagamese

With compassion and insight, author Richard Wagamese traces through his fictional characters the decline of a culture and a cultural way. For Saul, taken forcibly from the land and his family when he's sent to residential school, salvation comes for a while through his incredible gifts as a hockey player. But in the harsh realities of 1960s Canada, he battles obdurate racism and the spirit-destroying effects of cultural alienation and displacement.

**As part of your summer reading**, consider reading *Ishmael* in preparation for the fall Adult Formation book study or read one of the other books which address topics that we will continue to talk about and pursue in the future. If you have questions, see Kyle or Mel.
